## TIE BREAKER

(Use only if you have charged no performance errors)

Rate the Contestant **1.0** to **10.0** based on:

- |  |                        |                                      |
|--|------------------------|--------------------------------------|
| 10 The best you have ever seen or <u>ever will</u> see         | Justification Required | Do not use unless you are sure of it |
| 9 Professional level (You'd pay money to see it again)         | Justification Required | Do not use unless you are sure of it |
| 8 Spectacular Performance                                      | Justification Required | Do not use unless you are sure of it |
| 7 Outstanding Performance                                      | Justification Required |                                      |
| 6 Above Excellent Performance                                  | Justification Required |                                      |
| 5 Absolutely Excellent Performance                             | Justification Required |                                      |
| 4 Performance way above what is expected                       |                        |                                      |
| 3 Performance significantly above what is expected             |                        |                                      |
| 2 Performance above what is expected                           |                        |                                      |
| 1 Completely Acceptable Performance (a 1000 point performance) |                        |                                      |

Do not consider extras (e.g. music ) in making the rating.

If any evaluator's overall average is above 7 in one contest, that evaluator's "TIE BREAKER" ratings will not be used in that contest.

Rating:
