

Requirements for the

Past Master Councilor's Meritorious Service Award

Northern California

DeMolay

PMC- MSA

(Past Master Councilors Meritorious Service Award)

BACKGROUND and PURPOSE

Nearly every member of the Order of DeMolay has the ambition of serving his Chapter as Master Councilor. When this goal is in sight as you move up through the Councilors' chairs, you should set another that of earning the Past Master Councilors' Meritorious Service Award.

While the newly elected Master Councilor is the only one that is qualified to apply and achieve the award, he cannot do it alone. The requirements can only be met through the combined efforts of the entire Chapter. The M. C. must provide the leadership and incentive to inspire and motivate the members of his Chapter towards a well-rounded program and over-all efficiency in Chapter activities.

“Dad” Frank S. Land, the Founder of DeMolay, designed the PMC-MSA. He recognized the tremendous advantage gained by the Master Councilor in having a pre-planned program for his term of office. When such a program has been planned and distributed to the Chapter membership, in printed form, the M.C. has gone a long way in achieving goals he has set.

Our policy here in Northern California is to have every incoming Master Councilor apply for the PMC-MSA. This would insure that each and every Chapter has a planned program of activities, and the Chapter members are aware of the programs of the Chapter. With this goal in mind, the following information is provided so that every Councilor is fully aware of the requirements and procedures to apply for and qualify for the PMC-MSA. Read carefully, as the requirements are very strict and will be fully enforced in order to maintain the high standards of this award program.

HOW TO APPLY

You should understand that since this award recognizes proper advance planning, your initial entry into the program must reflect your planning and the development of a well-rounded term program for the chapter.

INITIAL LETTER OR FORM: The copy of the PMC-MSA Letter of Intent" which is attached to this packet, covers two areas. First, it serves as your approval as Master Councilor-Elect by your Advisory Council and/or other adult leadership. Secondly, it also serves as the First (or Initial) Letter for the PMC-MSA Program. Once you have completed the four pages attached, you have done the

most important step in applying for the PMC-MSA. Be sure all required signatures are obtained prior to submitting the form, as it will be returned to you if it has not been properly completed.

SECOND (or FINAL) LETTER: At the completion of your term as Master Councilor, you'll need to submit a letter, outlining your term and covering in detail how you met each requirement. We have not included a sample letter for this part of the requirement as it is felt that it's better for you to submit your thoughts in your own style. The vital thing is that you cover each and every requirement in sufficient detail so that those reviewing your letter will know whether you satisfied that particular requirement. See the section marked as "Common Problems" and the "Checklist for Final Letter" to be sure that you have covered each item. As was noted in the First Letter, please be certain to have all required signatures, as your Final Letter cannot be accepted unless it has been properly approved.
