

# INTRODUCTIONS AT INSTALLATIONS & OTHER PUBLIC EVENTS

It is strongly suggested that this listing be placed on the podium in the East for easy reference. **The Master Councilor should emphasize that each person should use his or her highest title ONLY.** The Master Councilor should also be prepared to thank each group with comments such as “Thank you for attending our Installation” or “We really appreciate your support of \_\_\_\_\_ Chapter.” Try to vary the comments so the M.C. does not simply say “Thank You” twelve times in a row!
